

## WIRELESS FLOOR SCALES

### MSF Floor Scale

MSF are heavy duty Floor Scales for wide range of industrial applications such as shipping, receiving, bulk loading and are coming as a complete calibrated unit, which includes MSDeck and a digital weight indicator. MSDeck is a durable rigid construction which utilizes a full 6" structural channel frame welded to a checkered Steel deck, providing durability and optimum performance in operations such as shock-, end- or corner-loading. Floor Scales' load cells and cables are recessed within the channels.
